**JUL 29 2014**

Mr. Jeff Parr  
Deputy Minister  
Housing and Community Development  
Room 352 Legislative Building  
Winnipeg, MB  
R3C 0V8

Dear Mr. Parr:

**Re: Federal Funding for 2014 - 2019 Extension of the Investment in Affordable Housing**

I am pleased to provide this Supplementary Agreement No. 1 to enable Manitoba to access funding for the 2014-2019 extension of the Agreement for Investment in Affordable Housing 2011 – 2014 (“2014 Extension”).

CMHC and The Manitoba Housing and Renewal Corporation (“MHRC”) agree that this Supplementary Agreement No. 1 enables MHRC to receive further CMHC Funding in the maximum amount of \$51.750 million for the 2014 Extension. This is in addition to the CMHC Funding provided for the Fiscal Years 2011 – 2014 under the Agreement for Investment in Affordable Housing 2011-2014, including any and all amendments and supplements to it preceding this letter (the “Original Agreement”).

## **PART A: PROVISIONS APPLICABLE TO THE 2014 EXTENSION**

The following terms apply only to the 2014 Extension:

1. All provisions of the Original Agreement apply to the 2014 Extension, except where they are not consistent with this Supplementary Agreement No. 1.
2. All references to “2011 – 2014” or more generally to the 2011 - 2014 time period in the Original Agreement will be read to apply to the 2014 Extension. For greater certainty, all schedules of the Original Agreement continue to apply to the 2014 Extension, except as amended herein.
3. This Supplementary Agreement No. 1 applies only to the CMHC Funding and Contributions by Others for the purposes of the 2014 Extension, pursuant to Commitments made by MHRC only from and after April 1, 2014 to not later than March 31, 2019, except that Commitments of Contributions by Others may be made to not later than March 31, 2020. MHRC will provide to CMHC a proposed completed Annual Plan in the form attached as Schedule C – 2014 Extension for the Fiscal Years 2014 - 2019. Payment of CMHC Funding for each Fiscal Year is conditional on having in place a completed and agreed-to Annual Plan for that Fiscal Year. All references in the Original Agreement to Schedule C are deemed to be references to Schedule C – 2014 Extension.
5. The maximum CMHC Funding under this Supplementary Agreement No. 1 is \$51.750 million. This maximum CMHC Funding is available by Fiscal Year in the following amounts: 2014 – 2015: \$10.350 million; 2015 – 2016: \$10.350 million; 2016-2017: \$10.350 million; 2017 – 2018: \$10.350 million; 2018 – 2019: \$10.350 million. At least \$0.090 million in CMHC Funding must be claimed in each Fiscal Year and used under this Supplementary Agreement No. 1 for victims of family violence.
6. Recommitments of CMHC Funding under this Supplementary Agreement No. 1 (in accordance with subparagraph 6.9(a) or (b) of the Original Agreement) must occur not later than March 31, 2020.
7. For the purposes of the 2014 Extension, MHRC will use the Quarterly Claims form Schedule D to identify only CMHC Funding and Contributions by Others under this Supplementary Agreement No. 1, as set out in section 7 of the Original Agreement. Under this Supplementary Agreement No. 1, the final Quarterly Claim request for CMHC Funding must be received by CMHC not later than March 29, 2019, though MHRC will continue through March 31, 2020 to use the Quarterly Claims form Schedule D to identify Contributions by Others.

8. Under this Supplementary Agreement No. 1: By March 31, 2016 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid (pursuant to paragraph 7.2 of the Original Agreement) for the Fiscal Year ending March 31, 2015. By March 31, 2017 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid (pursuant to paragraph 7.2 of the Original Agreement) for the Fiscal Years ending March 31, 2015 and March 31, 2016. 9. For the purposes of CMHC Funding and Contributions by Others under this Supplementary Agreement No. 1, the maximum period for the present valuing of ongoing CMHC Funding and Contributions by Others referenced in paragraph 8.3 of the Original Agreement is twenty years but not beyond March 31, 2040.
10. CMHC Funding and Contributions by Others under this Supplementary Agreement No. 1 must be disbursed to Projects and Recipients in accordance with this Agreement not later than four years following the date of Commitment, but in any event not later than March 31, 2024 or, in the case of ongoing contributions, within twenty years following the date of Commitment but not later than March 31, 2040.
11. CMHC and MHRC agree on the value of apprenticeships in the residential housing sector which support training of skilled labour. Under this Supplementary Agreement No. 1, through appropriate initiatives as determined by MHRC or Manitoba, MHRC will ensure support for the use of apprentices under Programs, where feasible and will use the outcome and related indicators identified in the attached Addendum to Schedule E, for the purposes of annual reporting set out in paragraphs 9.2 and 9.3 of the Original Agreement.

## **2. OBJECTIVE**

- 2.1 The objective of this Agreement is to improve the living conditions of households in need by improving access to Affordable Housing off-reserve that is sound, suitable and sustainable.

## **3. OUTCOMES**

- 3.1 The parties intend that the overall outcome to be achieved through the carrying out of this Agreement will be to reduce the number of households in need by improving access to Affordable Housing that is sound, suitable and sustainable for households in need.
- 3.2 Depending on the categories of spending addressed under this Agreement, CMHC Funding and Contributions by Others may also serve to achieve the following outcomes:

1. Reduce the demand for services and institutional living by increasing and extending independent living for households in need being seniors and persons with disabilities.
2. Foster a more holistic approach to addressing poverty by supporting a broad range of Programs.
3. Increase the resources available to address the Housing needs of households in need by encouraging Contributions by Others, including the private and not-for-profit sectors.

#### **4. SPENDING CATEGORIES**

4.1 CMHC Funding and Contributions by Others must be used in accordance with at least one of the following four spending categories in order to be recognized:

1. Increase the supply of Affordable Housing: This may include new construction of or conversion to Affordable Housing, and homeownership or rental, all targeted to households in need.

- (b) in respect of Housing that was on October 1, 2010, or is at the time of Commitment under this Agreement, subject to any arrangements under any agreement between CMHC and Manitoba or MHRC.

The above exclusions do not apply when, due to the passage of time, without intervention, the Housing is no longer within sub-paragraph (a) nor sub-paragraph (b).

## **5. PROGRAMS**

- 5.1 MHRC will prepare a distinguishing summary for each proposed Program that MHRC wishes to include under this Agreement. The distinguishing summary will include the following:
- Name of the (proposed) Program
  - Effective Date
  - Which Spending Category(ies) it falls into
  - Specific Objective
  - Proponent Type
  - Activity Type

- 5.4 The distinguishing summaries so confirmed for all Programs will together constitute Schedule B and be appended to this Agreement. A confirmed distinguishing summary must be in place and effective for each Program before any CMHC Funding is paid for that Program.
- 5.5 MHRC may elaborate each Program beyond the distinguishing summary, but each Program must comply with the requirements of this Agreement and fit within one or more of the Spending Categories.

## **6. DELIVERY AND ADMINISTRATION OF PROGRAMS**

- 6.1 The delivery of Programs must respect this Agreement.

- 6.2 MHRC is responsible for making all Commitments. Commitments may be made only from and after April 1, 2011 to not later than March 31, 2014, except that Commitments of Contributions by Others may be made to not later than March 31, 2015.
- 6.3 All CMHC Funding and Contributions by Others shall be used only in respect of Affordable Housing in compliance with this Agreement. However, the Affordable Housing within a Program for victims of family violence need not be exclusively for the benefit of households who are on, or eligible to be on, a waiting list for social housing.
- 6.4 MHRC shall enforce a requirement that the Housing under each Program be and remain Affordable Housing for 10 years, except as MHRC and CMHC may otherwise agree.

In requesting CMHC Funding for any Commitment, MHRC will confirm to CMHC that it has ensured that the use of CMHC Funding by MHRC will comply with the CEAA guideline.
- 6.7 MHRC shall require a contribution agreement for each Project and appropriate agreements with or arrangements for each Recipient, setting out the terms and conditions (reflecting the requirements of this Agreement) for contributions for the Project or to the Recipient. - 6.8 MHRC is responsible for monitoring and ensuring Project and Recipient compliance with this Agreement throughout the period of affordability referred to in paragraph 6.4.
- 6.9 Where a Commitment is cancelled or reduced, or a Project or Recipient is non-compliant in whole or materially in part, then the affected CMHC Funding or Contributions by Others or both will be considered to remain committed, provided that,
- (a) for CMHC Funding, MHRC recommits this CMHC Funding within the same Fiscal Year in which the cancellation, reduction, or Project or Recipient non-compliance occurred, but not later than March 31, 2014; and
  - (b) for Contributions by Others, MHRC recommits these Contributions by Others by March 31, 2015, or within the same Fiscal Year in which the cancellation,

reduction or Project or Recipient non-compliance occurred, whichever is later.

## **7. PLAN, QUARTERLY CLAIMS AND PAYMENT OF CMHC FUNDING**

- 7.1 CMHC Funding under this Agreement is for the period from April 1, 2011 to March 31, 2014. MHRC will provide to CMHC a proposed completed Annual Plan in the form attached as Schedule C. MHRC will propose the planned Quarterly Claims amounts for the annual allocation of CMHC Funding for each Fiscal Year by not later than May 1<sup>st</sup> of the Fiscal Year, for CMHC concurrence. Payment of CMHC Funding for each Fiscal Year is conditional on having in place a completed and agreed-to Annual Plan for that Fiscal Year.
- 7.2 CMHC will pay the appropriate amount of CMHC Funding to MHRC based on Quarterly Claims provided by MHRC. CMHC will have no obligation and no liability to pay CMHC Funding before receipt of a Claim from MHRC.
- 7.3 Quarterly Claims will be in the format set out in Schedule D and will contain the information regarding Commitments called for in Schedule D.
- 7.4 MHRC will endeavour to ensure that the Quarterly Claims reflect as closely as feasible the Annual Plan. Variations between the planned Quarterly Claims amounts and the actual Quarterly Claims received are permitted. The total of all Quarterly Claims received for CMHC Funding in respect of any Fiscal Year must be in accordance with the completed and agreed-to Annual Plan for that Fiscal Year.
- 7.5 CMHC must receive the Quarterly Claim for each calendar quarter by not later than the last business day of the quarter. - 7.6 MHRC will continue through March 31, 2015 to use the Quarterly Claims form Schedule D to identify Contributions by Others.
- 7.7 MHRC will also use the Quarterly Claims form Schedule D to identify separately, in the Fiscal Year in which they occur, recommitments under paragraph 6.9 (even beyond March 31, 2015).
- 7.8 MHRC will also use the Quarterly Claims form Schedule D to identify separately, in each Fiscal Year (and even beyond March 31, 2015), any cancellations, reductions and Project or Recipient non-compliance not considered to remain committed under paragraph 6.9. Any CMHC Funding not considered to remain committed pursuant to subparagraph 6.9(a) must be refunded to CMHC by the end of that Fiscal Year.

## 8. FINANCIAL PROVISIONS

- 8.1 The maximum CMHC Funding under this Agreement is \$31.050 million. This maximum CMHC Funding is available by Fiscal Year in the following amounts: 2011 – 2012: \$10.350 million; 2012 – 2013: \$10.350 million; 2013 – 2014: \$10.350 million. CMHC Funding cannot be reallocated among Fiscal Years without prior CMHC approval. At least \$0.090 million in CMHC Funding must be claimed in each Fiscal Year and used under this Agreement for victims of family violence.
- 8.2 CMHC and MHRC agree that the Contributions by Others must at least match the CMHC Funding overall and must comply with paragraph 8.7. In particular, by March 31, 2013 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid pursuant to paragraph 7.2 for the Fiscal Year ending March 31, 2012. By March 31, 2014 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid pursuant to paragraph 7.2 for the Fiscal Years ending March 31, 2012 and March 31, 2013. By March 31, 2015 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid pursuant to paragraph 7.2 for the Fiscal Years ending March 31, 2012, 2013 and 2014. MHRC will refund to CMHC any amounts of CMHC Funding paid that exceed the totals of the Contributions by Others.
- 8.3 For Contributions by Others the value of in-kind contributions will be the fair market value of the contributions. The value of ongoing CMHC Funding and Contributions by Others will be the present value of the projected stream of ongoing contributions, for the period of the ongoing contributions (up to a maximum of twenty years but not beyond March 31, 2035), discounted at the appropriate Government of Canada benchmark bond yield rate. “Appropriate” means at the closing market price for bonds with a remaining term equal to or nearest to the period, on or most recently before the day the Commitment is made, as published by the Bank of Canada. Where there is no such remaining term nearer to the period than all the others, the nearest longer remaining term will apply.
- 8.4 CMHC Funding and Contributions by Others shall be used only for Affordable Housing within Programs, and Program Management and Administration Costs.
- 8.5 CMHC Funding and Contributions by Others shall not be used for a shelter allowance component of any social assistance program; nor for energy efficiency programs, but energy efficiency and water conservation measures will be promoted wherever possible.
- 8.6 MHRC is responsible for disbursement of CMHC Funding and Contributions by Others for each Project and to each Recipient. CMHC Funding and Contributions by Others must be disbursed to Projects and Recipients in accordance with this Agreement not later than four years following the date of Commitment, but in any event not later than March 31, 2019 or, in the case of ongoing contributions, within twenty years following the date of Commitment but not later than March 31, 2035. MHRC will refund to CMHC any

CMHC Funding which is not disbursed in accordance with this paragraph or that exceeds the total of Contributions by Others disbursed in accordance with this paragraph.

- 8.7 MHRC's own and the Government of Manitoba's own contributions combined that are committed and disbursed shall not be less than 50% of the total Contributions by Others required by paragraph 8.2 above.

## **9. ACCOUNTABILITY FRAMEWORK**

- 9.1 CMHC and MHRC agree that governments must be accountable to the public for the use of public funds through an open and transparent process which identifies expected outcomes, measures performance, reports results to the public and provides for follow-up.

### **Reporting on Outcomes**

- 9.2 MHRC will report publicly on outcomes and related indicators for each Fiscal Year in accordance with the completed and agreed-to Schedule E, within six months after the end of the Fiscal Year (that is by September 30). Payment of CMHC Funding is conditional on having in place a completed and agreed-to Schedule E. MHRC will continue reporting publicly until after the end of all affordability periods and all CMHC Funding and Contributions by Others have been disbursed and reconciled in accordance with this Agreement.

## **SCHEDULE A**

### **AFFORDABLE HOUSING FRAMEWORK (2011-2014)**

#### **Introduction**

Stable, affordable and good quality housing contributes to positive outcomes for individuals, families and communities. Housing influences many aspects of life: individual health and wellbeing, educational achievement, social connections, labour market attachment, and community identity. From a broader economic perspective, the housing sector provides employment, creates investment opportunities, and stimulates and supports economic activity.

This Framework establishes the approach that will guide bilateral arrangements for the combined affordable and renovation housing funding envelope of federal housing funds between 2011 and 2014.

Federal, provincial and territorial governments are continuing to work together in many ways to address the needs of households in Canada with respect to affordable, sound, suitable and sustainable housing.

Nothing in this document shall be construed to derogate from the respective governments' jurisdictional responsibilities.

#### **Vision**

A balanced approach to housing is a tool to promote economic and social independence, personal accountability, and meaningful individual choice. Good housing is required to meet basic human needs while developing individual resources and capabilities to achieve positive longer-term outcomes such as self-reliance for individuals and families. This vision promotes healthier people, stronger neighbourhoods, a greener environment, and safe, quality, affordable housing. Within this Framework, federal, provincial and territorial governments recognize that:

- A continuum of program responses is required to respond successfully to the differing needs of households across their life courses.
- Sustainable practices to housing responses, such as enhancing the energy efficiency of housing, not only value and respect the environment but also help realize savings that improve housing affordability over the long term.
- Partnerships among federal, provincial and territorial governments will help provinces and territories work with community groups, individuals and the private sector to strengthen housing conditions in their jurisdictions.

#### **Objective**

The objective of this Framework is to improve the living conditions of Canadians in need by improving access to affordable, sound, suitable and sustainable housing.

### **Intended Outcome**

The overall intended outcome of this Framework is to reduce the number of Canadians in housing need by improving access to affordable housing that is sound, suitable and sustainable for Canadians in need.

### **Spending Categories**

Housing responses may vary depending upon market conditions and housing needs. Investments that flow under this Framework will support housing responses in one of the following areas of action:

1. **Increase the supply of affordable housing across Canada.** Initiatives may include new construction or conversion, and homeownership or rental, all targeted to households in need.
2. **Improve housing affordability for vulnerable Canadians.** Initiatives may include rent supplements, shelter allowances to address affordable housing needs, and homeownership assistance, all targeted to households in need.
3. **Improve and/or preserve the quality of affordable housing.** Initiatives may include renovation and rehabilitation of existing affordable housing to improve and preserve the quality of affordable housing for households in need (excluding existing social housing stock under F/P/T long-term agreements).
4. **Foster safe independent living.** Support for new housing construction, housing modifications and renovations that extend independent living for households in need being seniors and persons with disabilities. Initiatives may also include accommodations for victims of family violence.

### **Principles**

Federal, provincial and territorial governments recognize that initiatives that respond to identified and demonstrated needs, and that are built on the best evidence of what works, produce the best desired outcomes. Achieving success requires cooperation and respect for one another's roles and responsibilities, and a clear understanding of funding relationships.

Federal, provincial, and territorial governments agree that the following principles will guide the arrangements between federal, provincial and territorial governments for housing investments that flow under this Framework.

- P/Ts have responsibility for the design and delivery of affordable housing programs in order to address their own specific needs and priorities.
- P/Ts require flexibility to address PTs' specific affordable housing needs and priorities. Flexibility to move federal funds between years is subject to CMHC approval.
- Federal contributions may be used for upfront capital contributions or ongoing subsidies. Contributions by Others (provincial/territorial government, non-profits, municipalities, private sector) must be equal to or greater than the envelope of federal contributions.
- Housing supported under this Framework and related bilateral agreements will be modest in terms of size and amenities and will remain affordable for ten years or a mutually agreed upon period of time.
- Energy efficiency and water conservation measures will be promoted wherever possible in order to reduce the

environmental impact of housing, such as greenhouse gas emissions and to improve housing affordability.

- Governments must be accountable to the public for the use of public funds through an open and transparent process which identifies expected outcomes, measures performance, reports on results to the public and provides for follow-up. In this context, each government is responsible for reporting annually to the public regarding the investments and achievement of intended outcomes under this Framework. The information provided by P/Ts, which will be agreed upon in the bilateral agreements, will enable the federal government to be accountable to Canadians.
- Administrative requirements must be streamlined so as not to adversely impact program delivery.
- Bilateral arrangements are to include a communications protocol providing for joint communications activities and products as well as open, transparent, effective and timely communications that equitably reflect the contributions of federal, provincial and territorial partners.
- Copies of signed bilateral agreements will be distributed to Provinces and Territories for information purposes. Any revisions or addendums to agreements granted by the federal government to a P/T under this Framework would, upon request, be extended to each Province and Territory who so wishes.

#### **Bilateral Arrangements**

- This Framework will serve as the basis for bilateral arrangements between the federal government represented by CMHC and each Province or Territory who so chooses. Federal funding flow will be conditional on bilateral arrangements pursuant to this Framework that are signed with a Province or Territory. Where a Province or Territory does not conclude bilateral arrangements under this Framework, federal funding will flow through the extension of existing arrangements (AHI and renovation programs).
