Dear Mr. Stewart:

Re: Federal Funding for 2014 - 2019 Extension of the Investment in Affordable Housing

I am pleased to provide this Supplementary Agreement No. 1 to enable the Northwest Territories to access funding for the 2014-2019 extension of the Agreement for Investment in Affordable Housing 2011 – 2014 (“2014 Extension”).

CMHC and Northwest Territories Housing Corporation (“NWT HC”) agree that this Supplementary Agreement No. 1 enables NWT HC to receive further CMHC Funding in the maximum amount of \$9.200 million for the 2014 Extension. This is in addition to the CMHC Funding provided for the Fiscal Years 2011 – 2014 under the Agreement for Investment in Affordable Housing 2011-2014, including any and all amendments and supplements to it preceding this letter (the “Original Agreement”).

PART A: PROVISIONS APPLICABLE TO THE 2014 EXTENSION

The following terms apply only to the 2014 Extension:

1. All provisions of the Original Agreement apply to the 2014 Extension, except where they are not consistent with this Supplementary Agreement No. 1.
2. All references to "2011 – 2014" or more generally to the 2011 - 2014 time period in the Original Agreement will be read to apply to the 2014 Extension. For greater certainty, all schedules of the Original Agreement continue to apply to the 2014 Extension, except as amended herein.
3. This Supplementary Agreement No. 1 applies only to the CMHC Funding and Contributions by Others for the purposes of the 2014 Extension, pursuant to Commitments made by NWTHC only from and after April 1, 2014 to not later than March 31, 2019, except that Commitments of Contributions by Others may be made to not later than March 31, 2020. 4. CMHC Funding under this Supplementary Agreement No. 1 is for the period from April 1, 2014 to March 31, 2019. NWTHC will provide to CMHC a proposed completed Annual Plan in the form attached as Schedule C – 2014 Extension for the Fiscal Years 2014 - 2019. Payment of CMHC Funding for each Fiscal Year is conditional on having in place a completed and agreed-to Annual Plan for that Fiscal Year. All references in the Original Agreement to Schedule C are deemed to be references to Schedule C – 2014 Extension.
5. The maximum CMHC Funding under this Supplementary Agreement No. 1 is \$9.200 million. This maximum CMHC Funding is available by Fiscal Year in the following amounts: 2014 – 2015: \$1.840 million; 2015 – 2016: \$1.840 million; 2016-2017: \$1.840 million; 2017 – 2018: \$1.840 million; 2018 – 2019: \$1.840 million. At least \$0.010 million in CMHC Funding must be claimed in each Fiscal Year and used under this Supplementary Agreement No. 1 for victims of family violence.
6. Recommitments of CMHC Funding under this Supplementary Agreement No. 1 (in accordance with subparagraph 6.9(a) or (b) of the Original Agreement) must occur not later than March 31, 2020.
7. For the purposes of the 2014 Extension, NWTHC will use the Quarterly Claims form Schedule D to identify only CMHC Funding and Contributions by Others under this Supplementary Agreement No. 1, as set out in section 7 of the Original Agreement. Under this Supplementary Agreement No. 1, the final Quarterly Claim request for CMHC Funding must be received by CMHC not later than March 29, 2019, though NWTHC will continue through March 31, 2020 to use the Quarterly Claims form Schedule D to identify Contributions by Others.

8. Under this Supplementary Agreement No. 1: By March 31, 2016 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid (pursuant to paragraph 7.2 of the Original Agreement) for the Fiscal Year ending March 31, 2015. By March 31, 2017 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid (pursuant to paragraph 7.2 of the Original Agreement) for the Fiscal Years ending March 31, 2015 and March 31, 2016. By March 31, 2018, the total Commitments of Contributions by Others must be at least equal to the total CMHC Funding paid (pursuant to paragraph 7.2 of the Original Agreement) for the Fiscal Years ending March 31, 2015, 2016 and 2017. By March 31, 2020, the total Commitments of Contributions by Others must be at least equal to the total CMHC Funding paid (pursuant to paragraph 7.2 of the Original Agreement) for the Fiscal Years ending March 31, 2015, 2016, 2017, 2018 and 2019.
9. For the purposes of CMHC Funding and Contributions by Others under this Supplementary Agreement No. 1, the maximum period for the present valuing of ongoing CMHC Funding and Contributions by Others referenced in paragraph 8.3 of the Original Agreement is twenty years but not beyond March 31, 2040.
10. CMHC Funding and Contributions by Others under this Supplementary Agreement No. 1 must be disbursed to Projects and Recipients in accordance with this Agreement not later than four years following the date of Commitment, but in any event not later than March 31, 2024 or, in the case of ongoing contributions, within twenty years following the date of Commitment but not later than March 31, 2040.
11. CMHC and NWTHC agree on the value of apprenticeships in the residential housing sector which support training of skilled labour. Under this Supplementary Agreement No. 1, through appropriate initiatives as determined by NWTHC or the Northwest Territories, NWTHC will ensure support for the use of apprentices under Programs, where feasible and will use the outcome and related indicators identified in the attached Addendum to Schedule E, for the purposes of annual reporting set out in paragraphs 9.2 and 9.3 of the Original Agreement.

("NWT HC"):

WHEREAS CMHC and NWT HC have a shared interest in and agree on the importance of improving access to affordable, sound, suitable and sustainable housing for households in need and have an established record of co-operation toward achieving this purpose;

AND WHEREAS the federal, provincial and territorial ministers for housing have agreed on an Affordable Housing Investment Framework as contained in Schedule A;

AND WHEREAS CMHC and NWT HC intend that, in realizing the purpose of this Agreement, certain outcomes be achieved.

C-7 as amended, and is entering into this Agreement in that capacity and pursuant to sections 25, 51, 57, 58, and 95 of the *National Housing Act*, R.S.C. 1985, c. N-11 as amended;

amended and has the authority to enter into this Agreement pursuant to that Act, and is entering into this Agreement in that capacity;

NOW THEREFORE, CMHC and NWTTC hereby agree as follows:

1. INTERPRETATION

Definitions

1.1 In this Agreement, unless the context requires otherwise,

“Affordable Housing” means Housing which is modest in terms of floor area and amenities, based on household needs and community norms, is priced at or below average market housing rents or prices for comparable Housing in a community or area, and is for the benefit of and affordable to households who are on, or eligible to be on, a waiting list for social housing, in a manner approved by NWTTC (referred to in this Agreement as “households in need”);

“CMHC Funding” means the maximum amount specified in paragraph 8.1, subject to the terms of this Agreement;

“Commitment” means an undertaking by NWTTC to provide contributions for a Project or to a Recipient under this Agreement;

“Contributions by Others” means cash or in-kind eligible contributions from NWTTC, the Northwest Territories government, municipalities, the private sector, the voluntary sector, charities and individual donors to be used in accordance with a Program or Programs under this Agreement. Contributions by Others do not include: contributions from any Government of Canada sources including but not limited to arrangements with CMHC; nor contributions under any program wholly or partially funded from Government of Canada sources; nor contributions which receive credit under any arrangement with CMHC or the Government of Canada outside this Agreement; nor contributions by the occupants of the Housing; nor contributions associated with healthcare or the provisions of services to residents or tenants; nor contributions from energy efficiency programs.

“Effective Date” means April 1, 2011;

“Fiscal Year” means twelve-month period ending on March 31;

“Housing” means residential accommodation, and facilities, common areas and services used directly with the residential accommodation. Housing does not include commercial or institutional premises, social or recreational services, and services or facilities related

“Recipient” means a household in need, directly receiving a contribution under a Program;

“Unit” means self-contained residential dwelling or as may be otherwise set out in the distinguishing summaries for Programs described at section 5.

- 1.2 All Schedules to this Agreement form part of this Agreement. In case of inconsistency between a section or sections of this Agreement and a Schedule, the section or sections prevail.
- 1.3 Where NWT HC is the intending owner and operator of a Project within a Program, NWT HC’s recording of its approval, commitment and terms and conditions for the Project is equivalent to its approval of and a contribution agreement for the Project.

2. OBJECTIVE

- 2.1 The objective of this Agreement is to improve the living conditions of households in need by improving access to Affordable Housing off-reserve that is sound, suitable and sustainable.

3. OUTCOMES

- 3.1 The parties intend that the overall outcome to be achieved through the carrying out of this Agreement will be to reduce the number of households in need by improving access to Affordable Housing that is sound, suitable and sustainable for households in need.

3.2 Depending on the categories of spending addressed under this Agreement, CMHC Funding and Contributions by Others may also serve to achieve the following outcomes:

1. Reduce the demand for services and institutional living by increasing and extending independent living for households in need being seniors and persons with disabilities.
2. Foster a more holistic approach to addressing poverty by supporting a broad range of Programs.
3. Increase the resources available to address the Housing needs of households in need by encouraging Contributions by Others, including the private and not-for-profit sectors.

4. SPENDING CATEGORIES

4.1 CMHC Funding and Contributions by Others must be used in accordance with at least one of the following four spending categories in order to be recognized:

1. Increase the supply of Affordable Housing: This may include new construction of or conversion to Affordable Housing, and homeownership or rental, all targeted to households in need.
2. Improve Housing affordability for vulnerable households: This may include rent supplements or shelter allowances to address Affordable Housing needs, and homeownership assistance, all targeted to households in need.
3. Improve and preserve the quality of Affordable Housing: This may include renovation, rehabilitation and repair of existing Affordable Housing for households in need.
4. Foster safe independent living: This may include support for new construction of, and modifications and renovations to Affordable Housing, that provide accommodations for victims of family violence or extend independent living for households in need being seniors and persons with disabilities.

4.2 Notwithstanding anything in this Agreement, CMHC Funding and Contributions by Others must not be used

- (a) in respect of Housing for which there was on October 1, 2010, or is at the time of Commitment under this Agreement, an arrangement directly with CMHC relating to financing, operation or occupancy; nor
- (b) in respect of Housing that was on October 1, 2010, or is at the time of Commitment under this Agreement, subject to any arrangements under any agreement between CMHC and the Northwest Territories or NWT HC.

The above exclusions do not apply when, due to the passage of time, without intervention, the Housing is no longer within sub-paragraph (a) nor sub-paragraph (b).

5. PROGRAMS

- 5.1 NWT HC will prepare a distinguishing summary for each proposed Program that NWT HC wishes to include under this Agreement. The distinguishing summary will include the following:
 - Name of the (proposed) Program
 - Effective Date
 - Which Spending Category(ies) it falls into
 - Specific Objective
 - Proponent Type
 - Activity Type
 - Nature of Assistance
 - Intended Outcome(s) to be met
- 5.2 NWT HC may propose changes to distinguishing summaries for Programs.
- 5.3 NWT HC will provide each distinguishing summary or change to CMHC for review to confirm consistency with the spirit and intent of this Agreement.
- 5.4 The distinguishing summaries so confirmed for all Programs will together constitute Schedule B and be appended to this Agreement. A confirmed distinguishing summary must be in place and effective for each Program before any CMHC Funding is paid for that Program.
- 5.5 NWT HC may elaborate each Program beyond the distinguishing summary, but each Program must comply with the requirements of this Agreement and fit within one or more of the Spending Categories.

6. DELIVERY AND ADMINISTRATION OF PROGRAMS

- 6.1 The delivery of Programs must respect this Agreement.
- 6.2 NWTHC is responsible for making all Commitments. Commitments may be made only from and after April 1, 2011 to not later than March 31, 2014, except that Commitments of Contributions by Others may be made to not later than March 31, 2015.
- 6.3 All CMHC Funding and Contributions by Others shall be used only in respect of Affordable Housing in compliance with this Agreement. However, the Affordable Housing within a Program for victims of family violence need not be exclusively for the benefit of households who are on, or eligible to be on, a waiting list for social housing.
- 6.4 NWTHC shall enforce a requirement that the Housing under each Program be and remain Affordable Housing for 10 years, except as NWTHC and CMHC may otherwise agree.
- 6.5 CMHC recognizes the standards of the Northwest Territories for health, safety and building, which NWTHC will apply to the Programs.
- 6.6 CMHC Funding is subject to compliance with the environmental assessment and mitigation requirements as set out in the Canadian Environmental Assessment Act, S.C. 1992, c. 37 and its regulations, as amended from time to time (collectively, the “CEAA”). CMHC will supply to NWTHC a current guideline (including any updates, as necessary) that NWTHC will apply. In requesting CMHC Funding for any Commitment, NWTHC will confirm to CMHC that it has ensured that the use of CMHC Funding by NWTHC will comply with the CEAA guideline.
- 6.7 NWTHC shall require an agreement for each Project and appropriate agreements with or arrangements for each Recipient, setting out the terms and conditions (reflecting the requirements of this Agreement) for contributions for the Project or to the Recipient. Contributions, whether by way of CMHC Funding or Contributions by Others or both, must not be structured as loans other than to secure correction or recovery in the case of non-compliance.
- 6.8 NWTHC is responsible for monitoring and ensuring Project and Recipient compliance with this Agreement throughout the period of affordability referred to in paragraph 6.4.
- 6.9 Where a Commitment is cancelled, rescinded or reduced, or a Project or Recipient is non-compliant in whole or materially in part, then the affected CMHC Funding or Contributions by Others or both will be considered to remain committed, provided that,
 - (a) for CMHC Funding, NWTHC recommits this CMHC Funding within the same Fiscal Year in which the cancellation, rescission, reduction, or Project or

Recipient non-compliance occurred, but not later than March 31, 2015; and

- (b) for Contributions by Others, NWT HC recommit s these Contributions by Others by March 31, 2015, or within the same Fiscal Year in which the cancellation, rescission, reduction or Project or Recipient non-compliance occurred, whichever is later.

7. PLAN, QUARTERLY CLAIMS AND PAYMENT OF CMHC FUNDING

- 7.1 CMHC Funding under this Agreement is for the period from April 1, 2011 to March 31, 2014. NWT HC will provide to CMHC a proposed completed Annual Plan in the form attached as Schedule C. NWT HC will propose the planned Quarterly Claims amounts for the annual allocation of CMHC Funding for each Fiscal Year by not later than May 1st of the Fiscal Year, for CMHC concurrence. Payment of CMHC Funding for each Fiscal Year is conditional on having in place a completed and agreed-to Annual Plan for that Fiscal Year.
- 7.2 CMHC will pay the appropriate amount of CMHC Funding to NWT HC based on Quarterly Claims provided by NWT HC. CMHC will have no obligation and no liability to pay CMHC Funding before receipt of a Claim from NWT HC.
- 7.3 Quarterly Claims will be in the format set out in Schedule D and will contain the information regarding Commitments called for in Schedule D.
- 7.4 NWT HC will endeavour to ensure that the Quarterly Claims reflect as closely as feasible the Annual Plan. Variations between the planned Quarterly Claims amounts and the actual Quarterly Claims received are permitted. The total of all Quarterly Claims received for CMHC Funding in respect of any Fiscal Year must be in accordance with the completed and agreed-to Annual Plan for that Fiscal Year.
- 7.5 CMHC must receive the Quarterly Claim for each calendar quarter by not later than the last business day of the quarter. (Business day excludes any day on which the offices of CMHC or NWT HC are normally closed for business.) The final request for CMHC Funding must be received by CMHC not later than March 31, 2014.
- 7.6 NWT HC will continue through March 31, 2015 to use the Quarterly Claims form Schedule D to identify Contributions by Others.
- 7.7 NWT HC will also use the Quarterly Claims form Schedule D to identify separately, in the Fiscal Year in which they occur, recommitments under paragraph 6.9 (even beyond March 31, 2015).
- 7.8 NWT HC will also use the Quarterly Claims form Schedule D to identify separately, in each Fiscal Year (and even beyond March 31, 2015), any cancellations, rescissions,

reductions and Project or Recipient non-compliance not considered to remain committed under paragraph 6.9. Any CMHC Funding not considered to remain committed pursuant to subparagraph 6.9(a) must be refunded to CMHC by the end of that Fiscal Year.

- 7.9 NWTHC may provide claims to CMHC less frequently than quarterly. In that event NWTHC will adjust the Quarterly Claims form Schedule D to indicate the period covered. In any event, payment by CMHC for each Fiscal Year is subject to CMHC receiving the claim or claims by not later than the last business day of that Fiscal Year, and the annual limits set out in paragraph 8.1 apply. For greater certainty, the term “Quarterly Claims” is used in paragraphs 7.2 through 7.8 and 9.7 and Schedule D for convenience, and includes any claim provided in accordance with this paragraph 7.9.

8. FINANCIAL PROVISIONS

- 8.1 The maximum CMHC Funding under this Agreement is \$5.520 million. This maximum CMHC Funding is available by Fiscal Year in the following amounts: 2011 – 2012: \$1.840 million; 2012 – 2013: \$1.840 million; 2013 – 2014: \$1.840 million. CMHC Funding cannot be reallocated among Fiscal Years without prior CMHC approval. At least \$0.010 million in CMHC Funding must be claimed in each Fiscal Year and used under this Agreement for victims of family violence.
- 8.2 CMHC and NWTHC agree that the Contributions by Others must at least match the CMHC Funding overall and must comply with paragraph 8.7. In particular, by March 31, 2013 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid pursuant to paragraph 7.2 for the Fiscal Year ending March 31, 2012. By March 31, 2014 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid pursuant to paragraph 7.2 for the Fiscal Years ending March 31, 2012 and March 31, 2013. By March 31, 2015 the total Commitments of Contributions by Others must be at least equal to the total of CMHC Funding paid pursuant to paragraph 7.2 for the Fiscal Years ending March 31, 2012, 2013 and 2014. NWTHC will refund to CMHC any amounts of CMHC Funding paid that exceed the totals of the Contributions by Others.
- 8.3 For Contributions by Others the value of in-kind contributions will be the fair market value of the contributions. The value of ongoing CMHC Funding and Contributions by Others will be the present value of the projected stream of ongoing contributions, for the period of the ongoing contributions (up to a maximum of twenty years but not beyond March 31, 2035), discounted at the appropriate Government of Canada benchmark bond yield rate. “Appropriate” means at the closing market price for bonds with a remaining term equal to or nearest to the period, on or most recently before the day the Commitment is made, as published by the Bank of Canada. Where there is no such remaining term nearer to the period than all the others, the nearest longer remaining term will apply.

- 8.4 CMHC Funding and Contributions by Others shall be used only for Affordable Housing within Programs, and Program Management and Administration Costs.
- 8.5 CMHC Funding and Contributions by Others shall not be used for a shelter allowance component of any social assistance program; nor for energy efficiency programs, but energy efficiency and water conservation measures will be promoted wherever possible.
- 8.6 NWTHC is responsible for disbursement of CMHC Funding and Contributions by Others for each Project and to each Recipient. CMHC Funding and Contributions by Others must be disbursed to Projects and Recipients in accordance with this Agreement not later than four years following the date of Commitment, but in any event not later than March 31, 2019 or, in the case of ongoing contributions, within twenty years following the date of Commitment but not later than March 31, 2035. NWTHC will refund to CMHC any CMHC Funding which is not disbursed in accordance with this paragraph or that exceeds the total of Contributions by Others disbursed in accordance with this paragraph.
- 8.7 NWTHC's own and the Government of the Northwest Territories' own contributions combined that are committed and disbursed shall not be less than 50% of the total Contributions by Others required by paragraph 8.2 above.

9. ACCOUNTABILITY FRAMEWORK

- 9.1 CMHC and NWTHC agree that governments must be accountable to the public for the use of public funds through an open and transparent process which identifies expected outcomes, measures performance, reports results to the public and provides for follow-up.

Reporting on Outcomes

- 9.2 NWTHC will report publicly on outcomes and related indicators for each Fiscal Year in accordance with the completed and agreed-to Schedule E, within six months after the end of the Fiscal Year (that is by September 30). Payment of CMHC Funding is conditional on having in place a completed and agreed-to Schedule E. NWTHC will continue reporting publicly until after the end of all affordability periods and all CMHC Funding and Contributions by Others have been disbursed and reconciled in accordance with this Agreement.
- 9.3 NWTHC will provide a copy of the reporting on outcomes and related indicators called for in Schedule E to CMHC for information purposes at least one week before the release to the public; where the information is part of a larger report, NWTHC need only extract and provide the information called for in Schedule E. - 12.4 Nothing in this Agreement is to be construed as authorizing one party to contract for or incur any obligation on behalf of the other or to act as agent for the other. In particular, CMHC is not a party to any Program nor to any agreements or arrangements relating to Projects or with Recipients, and is in no way whatsoever accountable for any environmental or pollution matters.
- 12.5 Neither party may assign this Agreement without the written consent of the other, such consent not to be unreasonably withheld.
- 12.6 Any material revisions or addendums to any "Agreement for Investment in Affordable Housing 2011 – 2014" between CMHC and any other province or territory of Canada will, upon request, be extended to NWTHC.
- 12.7 (a) Subject to subparagraphs (b), (c), and (d), NWTHC agrees to indemnify CMHC and save it harmless from all costs, damages, expenses, injury and liability whatsoever which CMHC may suffer as a result of claims of any sort (in this paragraph 12.7, collectively "Claims" and individually a "Claim"), arising out of the implementation of this Agreement, but this indemnity does not apply with respect to Claims:
- (i) arising from any circumstances for which coverage is provided under an insurance policy or claims fund to the extent that CMHC is indemnified or covered under such policy or fund; or

(ii) to the extent such Claims are in any way, directly or indirectly, attributable to the negligence, bad faith or willful misconduct of CMHC.

(b) NWTHC's maximum liability to CMHC under its indemnity in subparagraph (a) shall be limited in the aggregate to the amount of CMHC Funding claimed under this Agreement by NWTHC and paid by CMHC to NWTHC in the aggregate less any CMHC Funding refunded by NWTHC to CMHC in accordance with this Agreement.

(c) In order to be entitled to indemnification under subparagraph (a), CMHC shall comply with the following terms and conditions:

- (i) CMHC shall give prompt notice to NWTHC, with all available particulars, of any proceeding whether actual or threatened, in respect of which indemnity may be sought under this Agreement and of all claims made in it;
- (ii) upon the written request of NWTHC, CMHC shall furnish to NWTHC copies of all documents and provide any other information relating to the Claim(s) that is in the possession or under the control of CMHC;
- (iii) CMHC shall take all reasonable steps necessary to secure and preserve its rights in respect of the Claim(s) and, to the extent that CMHC has a right to commence a proceeding against another person (whether for damages or indemnification or otherwise) in respect of a matter for which CMHC claims indemnification from NWTHC hereunder, CMHC shall assign that right to NWTHC and subrogate NWTHC to that right to the extent of the amounts paid by NWTHC or for which NWTHC is liable hereunder;
- (iv) CMHC shall not voluntarily assume any liability in respect of or settle or compromise a Claim or any proceeding relating thereto without obtaining NWTHC's prior written consent; however, if CMHC does so assume, settle or compromise, then NWTHC shall not be liable for the amount if any by which the total amount of the ultimate resolution of the Claim exceeds the amount for which the Claim would likely have been resolved but for CMHC's assumption, settlement or compromise;
- (v) NWTHC shall have the right to participate in the negotiation, settlement or defence of the Claim(s) and any proceedings relating thereto or appeal thereof, but NWTHC may not settle any action commenced against CMHC without the written consent of CMHC.
- (vi) if NWTHC elects to participate in the negotiation, settlement or defence of the Claim(s) and any proceedings relating thereto or appeal thereof, CMHC shall aid NWTHC in securing information and evidence and the

attendance of any witnesses and cooperate fully with NWTHC (except in a pecuniary way) in such negotiation, settlement or defence, and shall agree to be represented by legal counsel chosen by NWTHC, unless there would arise a conflict of interest preventing such legal counsel from representing CMHC, and where there would be or is such a conflict CMHC shall be entitled to retain legal counsel of its choice (it being understood that NWTHC may withhold its approval in relation to any counsel proposed by CMHC who does not agree to retainer terms, including fees, consistent with the policies of the Ministry of the Attorney General of the Northwest Territories, unless CMHC agrees to pay any fees or expenses in excess of those policies), and the fees and expenses of CMHC's counsel incurred in its representation shall be costs to which this indemnity extends except for those in excess of the policies of the Ministry of the Attorney General of the Northwest Territories;

- (vii) if NWTHC is not also a party to the Claim, CMHC shall consent to any order or leave that may be applied for by NWTHC to be added as a party or to be allowed to make representations on its own behalf without being a party;
- (viii) the expenses incurred by CMHC in investigating, defending or appealing any Claim(s) shall, at CMHC's request, be paid by NWTHC as may be appropriate to enable CMHC to properly investigate, defend or appeal such Claims(s), with the understanding that if it is ultimately determined that CMHC is not entitled to be indemnified hereunder, CMHC shall immediately repay such amount(s) so paid, which shall become payable as a debt due to the Commissioner of the Northwest Territories;
- (ix) in any Claim or proceeding NWTHC and counsel chosen by NWTHC shall not assert a position on behalf of CMHC, to which CMHC objects on any reasonable grounds, including (without restricting the generality of the foregoing) constitutional, reputational, precedent-setting or government policy grounds or any grounds recommended by legal counsel.

(d) This paragraph 12.7 does not require NWTHC to indemnify CMHC or save it harmless from direct loan losses or from liability to pay lenders their losses and incidental amounts in respect of loans that are insured by CMHC, nor against any claim or legal proceedings against CMHC with respect to any obligations to Aboriginals regarding matters outside this Agreement.

SCHEDULE A

AFFORDABLE HOUSING FRAMEWORK (2011-2014)

Introduction

Stable, affordable and good quality housing contributes to positive outcomes for individuals, families and communities. Housing influences many aspects of life: individual health and wellbeing, educational achievement, social connections, labour market attachment, and community identity. From a broader economic perspective, the housing sector provides employment, creates investment opportunities, and stimulates and supports economic activity.

This Framework establishes the approach that will guide bilateral arrangements for the combined affordable and renovation housing funding envelope of federal housing funds between 2011 and 2014.

Federal, provincial and territorial governments are continuing to work together in many ways to address the needs of households in Canada with respect to affordable, sound, suitable and sustainable housing.

Nothing in this document shall be construed to derogate from the respective governments' jurisdictional responsibilities.

Vision

A balanced approach to housing is a tool to promote economic and social independence, personal accountability, and meaningful individual choice. Good housing is required to meet basic human needs while developing individual resources and capabilities to achieve positive longer-term outcomes such as self-reliance for individuals and families. This vision promotes healthier people, stronger neighbourhoods, a greener environment, and safe, quality, affordable housing. Within this Framework, federal, provincial and territorial governments recognize that:

- A continuum of program responses is required to respond successfully to the differing needs of households across their life courses.
- Sustainable practices to housing responses, such as enhancing the energy efficiency of housing, not only value and respect the environment but also help realize savings that improve housing affordability over the long term.
- Partnerships among federal, provincial and territorial governments will help provinces and territories work with community groups, individuals and the private sector to strengthen housing conditions in their jurisdictions.

Objective

The objective of this Framework is to improve the living conditions of Canadians in need by improving access to affordable, sound, suitable and sustainable housing.

Intended Outcome

The overall intended outcome of this Framework is to reduce the number of Canadians in housing need by improving access to affordable housing that is sound, suitable and sustainable for Canadians in need.

Spending Categories

Housing responses may vary depending upon market conditions and housing needs. Investments that flow under this Framework will support housing responses in one of the following areas of action:

1. **Increase the supply of affordable housing across Canada.** Initiatives may include new construction or conversion, and homeownership or rental, all targeted to households in need.
2. **Improve housing affordability for vulnerable Canadians.** Initiatives may include rent supplements, shelter allowances to address affordable housing needs, and homeownership assistance, all targeted to households in need.
3. **Improve and/or preserve the quality of affordable housing.** Initiatives may include renovation and rehabilitation of existing affordable housing to improve and preserve the quality of affordable housing for households in need (excluding existing social housing stock under F/P/T long-term agreements).
4. **Foster safe independent living.** Support for new housing construction, housing modifications and renovations that extend independent living for households in need being seniors and persons with disabilities. Initiatives may also include accommodations for victims of family violence.

Principles

Federal, provincial and territorial governments recognize that initiatives that respond to identified and demonstrated needs, and that are built on the best evidence of what works, produce the best desired outcomes. Achieving success requires cooperation and respect for one another's roles and responsibilities, and a clear understanding of funding relationships.

Federal, provincial, and territorial governments agree that the following principles will guide the arrangements between federal, provincial and territorial governments for housing investments that flow under this Framework.

- P/Ts have responsibility for the design and delivery of affordable housing programs in order to address their own specific needs and priorities.
- P/Ts require flexibility to address PTs' specific affordable housing needs and priorities. Flexibility to move federal funds between years is subject to CMHC approval.
- Federal contributions may be used for upfront capital contributions or ongoing subsidies. Contributions by Others (provincial/territorial government, non-profits, municipalities, private sector) must be equal to or greater than the envelope of federal contributions.
- Housing supported under this Framework and related bilateral agreements will be modest in terms of size and amenities and will remain affordable for ten years or a mutually agreed upon period of time.

- Energy efficiency and water conservation measures will be promoted wherever possible in order to reduce the environmental impact of housing, such as greenhouse gas emissions and to improve housing affordability.
- Governments must be accountable to the public for the use of public funds through an open and transparent process which identifies expected outcomes, measures performance, reports on results to the public and provides for follow-up. In this context, each government is responsible for reporting annually to the public regarding the investments and achievement of intended outcomes under this Framework. The information provided by P/Ts, which will be agreed upon in the bilateral agreements, will enable the federal government to be accountable to Canadians.
- Administrative requirements must be streamlined so as not to adversely impact program delivery.
- Bilateral arrangements are to include a communications protocol providing for joint communications activities and products as well as open, transparent, effective and timely communications that equitably reflect the contributions of federal, provincial and territorial partners.
- Copies of signed bilateral agreements will be distributed to Provinces and Territories for information purposes. Any revisions or addendums to agreements granted by the federal government to a P/T under this Framework would, upon request, be extended to each Province and Territory who so wishes.

Bilateral Arrangements

- This Framework will serve as the basis for bilateral arrangements between the federal government represented by CMHC and each Province or Territory who so chooses. Federal funding flow will be conditional on bilateral arrangements pursuant to this Framework that are signed with a Province or Territory. Where a Province or Territory does not conclude bilateral arrangements under this Framework, federal funding will flow through the extension of existing arrangements (AHI and renovation programs).
