

REPLACEMENT OF COVENANT

AT-A-GLANCE

As a general rule, CMHC does not permit the outright release of parties from their borrower covenants and guarantees unless they are replaced with satisfactory replacement borrowers or guarantors. A change in borrower structure involving a replacement of a borrower and/or a guarantor for a loan on a multi-unit property requires CMHC approval. Where covenants are replaced, the guarantee amounts remain the same as per the original loan commitment. The Approved Lender is responsible for ensuring the validity and enforceability of the covenants for the full amortization of the loan. In certain circumstances, the conditions of the mortgage loan insurance may be revised, for example, reduction of the loan amount, requirement for replacement reserves, requirement for additional security, etc.

A recommendation to replace the borrower and/or guarantor covenant must be submitted by the Approved Lender to CMHC along with supporting documentation.

LOAN-RELATED DOCUMENTATION AND APPLICATION FEE

As a minimum, the following support documentation is required for replacement of covenant of borrower and guarantor requests:

- Signed Request—Certificate of Insurance (CMHC 60335).
- A fee of \$100 per unit or bed up to a maximum of \$35,000 per loan. No fee for commercial space.

Confirmation of the following:

- CMHC account number, current borrower name and address of the property and the reasons for the request.
- Details regarding all existing registered encumbrances on the property including outstanding balances, term and amortization remaining, interest rate and monthly payments.

PROPERTY-RELATED DOCUMENTATION

- Current market value of the property (income/expense analysis on lender's form or CMHC 60335) including analysis of income/expenses and stand-alone valuation of the non-residential space and details of ancillary income (antenna/communication installations, etc.).
- Current rent roll for the subject property with the following:
 1. Effective date.
