General Guidelines For Borrower Eligibility

The borrower must demonstrate competence and experience commensurate with the size and type of property for which mortgage loan insurance is being sought. The borrower or a corporation affiliated with the borrower must have at least five years of demonstrated management experience in the operation and management of similar multi-unit residential properties. Alternatively, a formal property management contract must be in place with a professional third party property management firm.

Borrower Net Worth

The borrower must have minimum net worth equal to at least 25% of the loan amount being requested, with a minimum of \$100,000.

Guarantee Requirements

New construction:

The borrower and guarantor must provide their covenant/guarantee for 100% of the outstanding amount owing under the housing loan from time to time until stabilized rents have been achieved for 12 consecutive months, at which time the additional guarantee required may be reduced to 40% of the outstanding loan amount owing under the mortgage, from time to time.

Purchase or refinance of existing properties:

For new loans on existing residential rental properties, the guarantee amount required by CMHC is 40% of the outstanding loan amount owing under the mortgage, from time to time.

Limited recourse:

Where a loan does not exceed 65% of lending value, as determined by CMHC, Approved Lenders may request that the loan be considered non-recourse to the borrower. The recourse of the Approved Lender shall be limited to the property and the other assets taken as security and not personally against the borrower.

CMHC may require additional risk mitigation measures as it deems appropriate (e.g. equity retention, replacement reserves, collateral security, personal guarantees).

CMHC mortgage loan insurance provides access to preferred interest rates lowering borrowing costs for the construction, purchase and refinance of multi-unit residential properties and facilitates renewals throughout the life of the mortgage.
