Purchase or refinance of existing properties: For new loans on existing residential rental properties, the guarantee amount required by CMHC is 40% of the outstanding loan amount owing under the mortgage, from time to time.

Limited recourse: Where a loan does not exceed 65% of lending value, as determined by CMHC, Approved Lenders may request that the loan be considered non-recourse to the borrower. The recourse of the Approved Lender shall be limited to the property and the other assets taken as security and not personally against the borrower.

CMHC may require additional risk mitigation measures as it deems appropriate (e.g. equity retention, replacement reserves, collateral security, personal guarantees).
