

MORTGAGE LOAN INSURANCE CMHC NEWCOMERS

Facilitating housing choice for newcomers to Canada

The CMHC Newcomers program is available to borrowers with permanent and non-permanent residence status. The program helps them access housing they can afford and meets their needs.

HIGHLIGHTS

✓ ACCESSIBLE TO PERMANENT AND NON-PERMANENT RESIDENTS

A **permanent resident** is someone who has been given permanent resident status by immigrating to Canada, but is not a Canadian citizen. Permanent residents are citizens of other countries (source: Citizenship and Immigration Canada Website).

A **non-permanent resident** is legally authorized to work in Canada (i.e. work permit).

✓ ESTABLISHING CREDITWORTHINESS

Permanent residents

- At least one borrower (or guarantor) must have a minimum credit score of 680.
- CMHC may consider alternative methods* of establishing creditworthiness for borrowers without a credit history. Examples of borrowers without a credit history could include recent graduates and newly divorced.

Non-permanent residents

- **U.S. country of origin:** In the absence of a sufficient credit report from a Canadian credit reporting agency, CMHC will obtain an international credit report.
- **For all other countries:** where the creditworthiness cannot be verified through an int'l credit record, mortgage professionals should ask the borrower to provide a letter of reference from their financial institution in their country of origin.

*Examples of alternative sources of credit may include confirmation of payment of rent or room and board, plus one additional financial obligation or documented regular savings, for the preceding 12 months. If confirmation of rent payments is not available, the borrower should provide verification of three other types of obligations, over the preceding 12 month period, including but not limited to: utilities, cable, childcare expenses, insurance premiums, or documented regular savings.
