
SUBJECT**CANADA HOUSING BENEFIT**

ISSUE

Can you provide an update on the Canada Housing Benefit?

RESPONSE

- **The Government of Canada is providing \$2 billion for the Canada Housing Benefit, which will be cost-matched by provinces and territories for a total \$4-billion investments over eight years. About 300,000 households are expected to receive the benefit by 2027-28.**

- **We have announced the following provincial/territorial Canada Housing Benefit agreements:**
 - **British Columbia \$517.7 million**
 - **Ontario \$1.5 billion**
 - **Saskatchewan \$135 million**
 - **Nova Scotia \$120 million**
 - **Manitoba \$154.6 million**
 - **Yukon \$18.2 million**

- **Work is underway to finalize the design and delivery of the Canada Housing Benefit in the remaining provinces and territories that will respond to local housing affordability challenges.**
