

2021 MORTGAGE CONSUMER SURVEY

We surveyed over **3,500** recent mortgage consumers across Canada to better understand their behaviours, attitudes and expectations when it comes to their mortgage. Here's a snapshot of what they told us.

The pandemic did impact purchasing decisions:

Impact of COVID-19 on mortgage consumers

25%

purchased a home sooner than expected.

46%

of buyers had concerns or felt uncertainty during the home buying process.

72%

of first-time buyers were aware of the **First-Time Home Buyer Incentive**.

31%

of buyers were involved in a **bidding war** in the search for homes.

Realtors and family members

are the most valuable people in the home buying process. (37% and 17%)

65% of buyers paid the **maximum price** they could afford on the purchase of their home.

43% of mortgage consumers solely **researched online** for information about mortgage options.

84%

of mortgage consumers are **confident** that they will be able to make future mortgage payments.

85%

of mortgage consumers agree that homeownership is a **good** long-term financial investment.

85%

felt that a **mortgage broker** would get them the best mortgage rate or deal.

70%

of mortgage consumers plan to renovate in the next 5 years.

61%

of first-time buyers took out their current mortgage with their existing **financial institution**.
