

# ATTESTATION – ACHIEVEMENT OF SOCIAL OUTCOME CRITERIA

TO: <approved lender name> (“Approved Lender”)

AND TO: CANADA MORTGAGE AND HOUSING CORPORATION (“CMHC”)

RE: Multi-unit residential project located at/to be built at  
<municipal address> (the “Project”)

I, the undersigned, in my capacity as  
<as applicable: the project architect; etc.>,

do hereby certify to the Approved Lender and CMHC that:

(Place a “√” in the applicable box in each of the Energy Efficiency Criteria table and Accessibility Criteria table, and provide the requisite information, if applicable)

## I. ENERGY EFFICIENCY CRITERIA

The Project **meets or exceeds** the MLI Select energy efficiency criteria commitment, which was selected in the attached Energy Efficiency Criteria Attestation, dated  
<date of energy efficiency criteria attestation>

The Project **does not meet** the MLI Select energy efficiency criteria commitment, which was selected in the attached Energy Efficiency Criteria Attestation, dated  
<date of energy efficiency criteria attestation>

The Project has **not** been completed in accordance with the plans and specifications of the Project and the deviations are as follows:

*<provide particulars of the deviations, including the % difference in energy consumption and GHG emissions of the Project relative to the NECB/NBC (new construction), or pre-retrofit/pre-renewal consumption (existing properties)>*

**Not Applicable.** I am not providing an attestation in regard to the MLI Select energy efficiency criteria commitments agreed upon by the borrower and the Approved Lender in relation to the Project.

## II. ACCESSIBILITY CRITERIA

The Project **meets or exceeds** the MLI Select accessibility criteria commitment, which was selected in the attached Accessibility Criteria Attestation, dated

*<date of accessibility criteria attestation>*

The Project **does not meet** the MLI Select accessibility criteria commitment, which was selected in the attached Accessibility Criteria Attestation, dated

*<date of accessibility criteria attestation>*

The Project has **not** been completed in accordance with the plans and specifications of the Project and the deviations are as follows:

*<provide particulars of the deviation, including the difference between accessibility outcomes achieved compared to MLI Select's accessibility criteria>*

**Not Applicable.** I am not providing an attestation in regard to the MLI Select accessibility criteria commitments agreed upon by the borrower and the Approved Lender in relation to the Project.

I acknowledge that

*<as applicable: [the energy analysis] OR [the accessibility analysis] OR [both the energy and accessibility analysis]>*

upon which this attestation is based may be reviewed, audited or assessed for accuracy and best practices by CMHC or used for CMHC's impact reporting purposes. I agree to provide timely responses to questions from CMHC regarding the analysis and findings and, if necessary, provide a revised analysis and attestation.
